

---

The submission of the applications for preschool preparatory groups has started on 26th August 2019.

Online registration will be implemented through the following website <https://mektebegebul.edu.az/az/> . The registration will continue until 25th September 2019.

The preschool preparatory groups could enroll only those children who are already 5 years old (who was born in 2014) and have a local registration in the same area with the educational institution.

The enrolled applicants have to submit the required documents manually to the schools that enrolled them from 2nd September to 27th September 2019. All the questions regarding the online registration could be addressed to Alternative Registration Centers operates in the cities and districts, Appeals Commissions, or by making phone calls to local educational authorities, and to the Call Center of the Ministry of Education (hotline, 146-1).
