

---

Minister of Education Jeyhun Bayramov met with the delegation headed by dean of Global Education Projects Group of Inha University of the Republic of South Korea Mr. Kiyon Chohun on January 31.

During the meeting, the sides discussed the establishment of an international dual degree program in engineering specialty between the Baku Engineering University and the Inha University of the South Korea in the framework of the "State Program on Increasing the International Competitiveness of the Higher Education System in the Republic of Azerbaijan for 2019-2023". To this end, the Memorandum of Understanding signed between the two universities has been highly appreciated.

The meeting was also attended by Ambassador Extraordinary and Plenipotentiary of the Republic of South Korea to Azerbaijan Kim Tong Op.
