
Starting from March 11, TV lessons titled "Lesson time" are launched on "Medeniyyet" channel. TV lessons will last 5 days a week from 10 to 16 o'clock. TV lessons will cover all classes and brief explanations and instructions on lesson topics will be provided.

Short video lessons will be provided on disciplines such as "Azerbaijani language", "Mathematics", "Understanding the World", "Fine arts", "Foreign language" in primary school and "Azerbaijani language", "Mathematics", "Foreign language", "History", "Geography", "Chemistry", "Physics", "Biology" in V-XI classes.

The Ministry of Education advises students to pay attention to the timetable and study the lesson during the "Lesson Time".

Students unable to watch "Lesson Time" on TV can get this opportunity through the electronic resources of the Ministry of Education.

Let's state that it is also possible to use video.edu.az electronic portals enriched with e-textbooks and video lessons to learn lessons on holidays. There are 256 electronic resources, including 232 electronic textbooks, 22 teaching aids and 2 extracurricular reading materials in the portal of the Ministry of Education www.e-derslik.edu.az. Currently, the number of textbooks enriched with video, graphics, audio and other multimedia tools is 28.

1621 video lessons have been posted on video.edu.az portal of the Ministry of Education. The number of such classes on the electronic portal is increased every month. The portal includes 3D animated videos, Khan Academy classes and video lessons having an assessment system. Classes are prepared in accordance with the national curriculum with the participation of local and foreign teachers.
