

---

As a result of yet another missile attack by the Armenian Armed Forces on Ganja on October 17 at around 01:00, great destructions and losses of human lives were recorded.

As a result of the attack, the full secondary school No. 29 named after K.D. Ushinsky in Ganja was severely damaged as well. No one was injured at the school as the incident took place at night.

It should be noted that 1,006 students study at the school, which consists of a 3-storey main building and 2 additional building blocks.
