On May 4, the Ministry of Education organized a visit of foreign students studying in our country to the Military Trophies Park.

The event was attended by 71 foreign students from 49 countries, representatives of higher education institutions and employees of the Ministry of Education. During the visit, information was provided about the glorious victory achieved as a result of the 44-day Patriotic War.

The determination and goal commitment of the Azerbaijani army was demonstrated against the background of military booty. The visitors have also become acquainted with other necessary moments.

At the end, the participants' impressions were heard and memorable photos were taken with them.
