

---

Within the framework of the Intergovernmental Scholarship Programs (ISPs) in 2021-2022 academic year, 200 Azerbaijanis were entitled to study on various specialties in 41 prestigious universities in 6 different countries around the world.

148 of these students will study in Hungary, 21 in the People's Republic of China, 10 in Latvia, 15 in the Republic of Turkey (doctoral studies through YTB), 3 in Romania and 3 in the Russian Federation. In total, 36 people were eligible for doctoral studies, 143 for master's degrees, and 21 for bachelor's degrees.

Among the universities to which students are admitted, Budapest University of Technology and Economics, Corvinus University of Budapest, Eotvos Lorand University, MGIMO University, Riga Technical University and Istanbul University dominate.

It should be noted that one of the scholarship recipients, who will be studying under the ISIPs, was admitted to Tsinghua University (People's Republic of China), an institution of higher education that ranks 28th in the international ranking of the world's universities.

You can get acquainted with the general statistics by clicking on this link.

In accordance with the intergovernmental agreements signed by the Republic of Azerbaijan, some countries (Hungary, China, Kazakhstan, Romania, Tajikistan, Latvia, etc.) annually allocate scholarship places for citizens of Azerbaijan. Announcements about the scholarship programs are regularly presented to the general public through the relevant web page (<http://htp.edu.az/az/index>).
