The eThe tevent to open the course availattended by the representatives of British Council, management of Agcabedi district Education Department, director of school No.8 and other educators.

The goal of the training course was to impart to teachers and pupils skills to use the websites of British Council <u>www.teachingenglish.org.uk</u>, <u>www.learnenglish.org.uk</u> and teach it by using samples.

Books in English sent by the Embassy of Great Britain to Azerbaijan were presented to teachers. They will use these books to assist other teachers to derive advantage from books and relevant internet resources. Further, teachers will prepare interactive lesson samples.

According to the results of the survey, the course was highly estimated by participants, and they expressed hope for the regular conduction of such courses.

At the end teachers and pupils attended the course were given certificates.
