

---

As its known, in 2010/2011 academic year for the first time graduates of complete secondary education level, who have gained special achievements during their studies, were awarded gold and silver medals. The award of graduates with gold and silver medals were conducted based on "Rules for awarding gold and silver medals of graduates, who have completed the general education with special achievements," approved by the Cabinet of Ministries. Results of test and final exams held by the Ministry of Education and test exams held by State Student Admission Commission were considered in awarding gold and silver medals as well.

All pupils awarded gold and silver medals have entered to the top universities of the country and the world with the highest scores. What is more, winners of subject Olympiads held in the country and pupils graduated from school with excellent grades have also shown good results in the entrance exams.
