

---

Speaking at the opening of the conference Rector of Azerbaijan University of Architecture and Construction Gulchohra Mammadova welcomed the guests and family members of Anvar Gasimzade invited to the event. Having talked about the life and works of A. Gasimzade, G. Mammadova, stressed the conference will be held in two parts.

Nargiz Abdullayeva, Pro-Rector for International Affairs at University of Architecture and Construction, gave a detailed presentation on 'Life and works of Academician Anvar Gasimzade.' Talking about interesting facts on the life of famous architect, N. Abdullayeva stressed his hard work, humility and national passion have played an important role in his achievements.

Speaking at the event Education Minister Misir Mardanov talked about a meaningful life path of Anvar Gasimzade noting he had done great jobs and projects throughout his 57 years of living and, unfortunately, younger generation knows little about him. The Minister underlined the need to give them more information about A. Gasimzade.

According to Mr. Mardanov, A. Gasimzade will be always remembered as an outstanding public figure, a famous architect, benevolent, humble and patriotic man. At the end of his speech, the Minister highly praised the work of organizers of the event held to mark 100th birth anniversary of Anvar Gasimzade.

Next, Professor Nurgalam Mikayilov, Professor Rahim Shukurov and Associate Professor Rizvan Allahverdiyev made a speech at the event sharing their memories of Anvar Gasimzade.

Young architects, who have won different international competitions, were awarded diplomas and prizes at the conference.

At the end, attendees have watched a film devoted to the life and works of Anvar Gasimzade.
