We would like to inform our citizens that the Ministry of Education of the Azerbaijan Republic does not cooperate with any company in the study abroad field, particularly within the "State Program on study of Azeri youth abroad for the years 2007-2015" and does not bear any responsibility for the activities of these companies.

We advise to students pursuing higher education abroad and their parents inquire directly to foreign universities to receive full information on admission procedures. Citizens suffered financially and emotionally as a result of the cooperation with any local company can directly apply to the relevant authorities.
