Commission on Education under the President of Azerbaijan Republic has made a positive decision regarding a further 167 students submitted their documents to study at universities of foreign countries in the academic year 2013-2014 within "State Program on Education of Azerbaijani youth abroad for the years 2007-2015."

The Ministry of Education congratulates selected students and hopes that after the successful completion of their study they will contribute to the sustainable development of the country.

Until now the Commission on Education under the President of Azerbaijan Republic has made a positive decision regarding 482 students submitted their documents to study abroad in the 2013/2014 academic year within the State Program.

The public will be further informed about the decisions to be made regarding other candidates.
