Eid Al Adha with its main ideas of equity, help and charity is a symbol of unity and solidarity. This holiday serving to the most sacred intentions is one of the days that our people celebrate with ceremony.

We wish goal-oriented policy performed for the welfare of our people by leadership of Mr. Ilham Aliyev, President of the Republic of Azerbaijan, brings a way to much broader successes.

Again, on behalf of team of the Ministry of Education of the Republic of Azerbaijan we congratulate our people on sacred Eid Al Adha holiday, wish peace, welfare and success.

May prayers and all sacrifices of our people be accepted!
