

---

An order serves the purpose of improving of activity of the Institute of Educational Problems (IEP). In the order is provided, the offer to the employees who have got under reduction, vacant workplaces in IEP according to their specialty, in accordance with their specialization, given their skills and experience.

In accordance with the order, in the structure of the IEP has 18 departments, the Secretariat, 1 sector and research library. Divisions of the general curriculum and out-of-school education, monitoring and evaluation, including the Division of professional education provided yet more staff.

In the “*State Strategy for the Development of Education in the Republic of Azerbaijan*” are stipulated some important questions, from the point of view of, creations of textbooks, maintenance of an appropriating choice of textbooks with teachers and students, maintenance of each student at a level of the general education by computers-tablets, with the electronic textbooks recorded on them. All this gives us grounds to say, that educational policy is a priority for the Ministry of Education. The important tasks entrusted to the newly established Department of “methodology of textbooks and teaching manuals” in enhancing the effectiveness of the reforms undertaken by the Ministry of Education in this area.

It should be noted, that in the new structure of IEP activity of self-supporting structural divisions is stipulated.
