On action it has been noted, that in accordance with the Decree of the President of Azerbaijan Republic Ilham Aliyev, at support of the Ministry of Education and the Ministry of Finance, since 2011 at school-lyceum Ne6 stais applied International Baccalaureate Program (IBP): tWithin the limits of IBP traintraining list divided into 3 stages (a -PYP-elementary education, PMYP-5-9 classes) the DP-Idiploma program, X-X classes).

Students of classes XI of the school-lyceum Ne6, being the first state educational institution where tatakes root BIBP; receiving idiplomash this year based rominternational assessment, would be legigible for admission to prestigious universities in the world. In an educational institution, within the limits of IBP, also also works teachers from the different countries. School-lyceums-nis member to the Association of schools IBP across the CIS countries.

In accordance with the "State Strategy for the Development of Education in the Republic of Azerbaijan", in the state schools on a paid basis can be implemented the international training. This, in turn, gives us the opportunity to say that in spite of the fact that school-lyceum No. 6 is a public school, it also has the status of an international schools (International School).

DiploDiplomas of the IBP created in Switzerland in 1968; is/ now recognized by more than 130 councountries and 2500/universities (Oxford, Cambridge, Harvard, Yale and other universities). The advantage of this program is that each step of the IBP (PYP, MYP and DP) may be used separately.

Ca Carrying fout of training of HBP. Im English popportunities for Icollaboration and communication sistudents from all countries. In addition to English language, HBPs is taught and in the French, German, ClChinese and Russian languages. The teachers working within the limits of IBPs every three years are involved in the training programs for improvement of professional skills. And in the respective schools monitoring is conducted every five years.
