

---

The main purpose of excursions, having long-term character, consists in granting to students of the detailed information about rich historical and is material - cultural monuments of the country.

At the excursions spent every day, to students tell the general information on the Maiden Tower and acquaint them with the museum exposition recently created inside of a tower. Then to the students who have familiarized religious-architectural Complex Syratagly, about the Caravanserais Bukhara and MMultany, as well as with the Gate "Gosha Gala Gapylary", explain initial appointment of monuments, their architectural styles. The Shirvanshah complex is one of the brightest examples of east architecture, is also of great interest among the students.

At excursions proceeding with success, the much attention is given mutual integration of subject matters, taught in general educational institutions. During the excursions met by students with greater interest, they accept active participation in excursions, show more flexible and creative thinking.

All this is important from the point of view of improving the quality of education, revealing of potential of pupils, educating students in the spirit of patriotism and respect national-moral values.

Also, at excursions give detailed answers to all questions interesting students about material-cultural heritage and historical monuments of the country.
