

---

It is stipulated, that the combined team composed of 20 person will be generated in the course of trainings. In the national team football players of teams-participants of "An education cup" on the soccer, held are involved at the joint organization of the Ministry of Education, the Azerbaijani Student's Football Association (ASFA) and AFFA. The football players have differed on games, held within "An education cup" on soccer, will get chance to get to the national team and the right to represent Azerbaijan on the international tournaments.

Games which will be held within the framework of the "An education cup", starting in April, 2014. The teams of the higher educational institutions which have successfully acted at this competition, and as well as the differed players will be awarded by the Ministry of Education and AFFA.

Let's note, that finishing of an infrastructure of football up to a level of modern requirements according to "State program for the development of football in Azerbaijan for 2005-2015" has led to a growing interest among young people for football. Paying great attention to questions of strengthening of the advocacy in the field of football, the Ministry of Education conducts active work on a direction of mass attraction to football of children, teenagers and youth.
