

---

According to this Order, since 2014/2015 academic years expenses for education of students of the corresponding category which is training on a paid basis at steps of the bachelor and a magistracy (in medical education – the main education and residency) and in specialized secondary educational institutions, will be paid at the expense of means of the state budget. The specified Order exempting the corresponding contingent of students from additional payments, will promote achievement of a great success by them in training.

This Order which is one more example of the social and directed state policy, has been warmly welcomed by the students of the corresponding category who are training on the paid basis at steps of the bachelor and a magistracy (in medical education – basic education and residency) and in vocational secondary schools, as well as the general public.
