

---

Mikayil Jabbarov, The Minister of Education, Eldar Azizov, chief executive of Sumgait city, the representatives of city education community, the parents, took part in the event.

“Last bell” started with sounding of state anthem.

Then, Mikayil Jabbarov were given speech. Minister stated that, one of important question in creation of new society bulding, is to educate young generation in the spirit of patriotism, increase their interest to education, science and form large outlook. Reminding opening of new phase in graduates' life since this day, minister of education stressed his assurance on their participation in all steps made for future development of our country as Azerbaijan citizen. Congratulating the graduates on occasion of “Lat bell”, minister wished them success and the achievements in their future life.

Then, congratulating the graduates, Eldar Azizov, Chief Executive Power of Sumgait city pointed that, this day is significant event of every person and important phase of education life.

Then, making a speech graduate and the pupils of gymnasium expressed their gratitude to the teachers who trained them to new phase of life. Although they were disappointed from leaving dear school, they promised to make happy their teachers with their achievements.

Ceremony continued with “Last bell” a literary composition prepared by the pupils of gymnasium.

It should be noted that, Gymnasium started its function as school No.145 of Absheron region in 1946. School was given the name of Gymnasium of Natural Sciences since 1990. Now, 7730 pupils are studying at gymnasium and 61 teachers are functioning. 94-100 percent of school's graduates are admitted in the universities. Gymnasium's pupils keep higher places in republic and international level olympiades every year. First time, there are the winners of “The best teacher of year” contest among gymnasium' teachers awarded to name of “The best school”.
