

---

Minister congratulated the students and wished them the successes in their studies also stated that, he hopes students will justify confidence. Touching upon importance of study of Azerbaijani youth in world' leading universities, minister stated that, they will make worthy contributions to dynamic development of our country.

Mikayil Jabbarov stated that, good tradition was put by sending of Azerbaijani youth to prominent universities of USSR by purpose to study from 70- 80 th years of past century as a result of far-sighted policy of national leader Heydar Aliyev. Stressing special attention of great leader to the youth who studied in abroad during independent years of our cuntry, Minister stated that this policy is continued by Ilham Aliyev, The President of Azerbaijan at present. Reminding strategy of transfer of oil capital in human capital as one of prioroties of Azerbaijan' state policy Minister pointed that, means allocated to education of youth creates reliable guarantee for prosperous future of our country, nation.

Although few time passed from our independence, thousands of Azerbaijani student are admitted in world' leading universities, also they continue their study. It's based on strong education foundations obtained by them in Azerbaijan.

Students who firstly achieved right of stduy in abroad within framework of State Program, were awarded to "DP scholar card" in the event.

One group of first students who obtained positive opinion by Education Commission under The President of Azerbaijan Republic, will continue their study on the degree of bachelor, master, residetentury and PhD in Great Britain, Turkey, Switzerland, Canada, the Netherlands, Kingdom, Australia, Germany, Poland, France, US, Finland, Italy, Russia Federation, Belgium, Spain and Sweden. There are our youth who were admitted in leading universities like High Commercial School of Paris and Harward, Cambridge, Lund, Melbourne universities among those students.

Document reception on study in abroad under State Program for 2014-2015 surrounds May 22- August 8. Document reception process and the interviews are presently continued.

As in Ase in previous phase, together with the collaborators of The Ministry of Education the representatives of other governmental bodies and the universities took part in the interviews. This fa factor makes favourable condition for transparent performance of the choices and selection of more appropriate candidades. Knlowing of relevant academic language at higher level, sufficient level of the knowledges on teaching specialty, intention of making contribution to development of our country after completion of their studies, are applied as main criterias during interview.

General number of youth who achieved right to study at the universities of foreign countries is 2612 within framework of State Program for 2007- 2013.
