

---

Holiday gift envisaged for 1250 families, have been distributed by the representatives of Ministry to the families who are temporarily settling in Goygol region.

As every year, Ministry again demonstrated his tradition on support in IDPs (internally displaced persons) from Kalbajar, also support in the persons who deprived from their native lands as a result of occupation policy of Armenia and moral support in them.

Holiday gift envisaged for 1250 families, have been distributed by the representatives of Ministry to the families who are temporarily settling in Goygol region.

Displaced persons expressed their gratitude for rendered attention and care and they hope our occupied lands will be liberated as a result of policy purposefully implemented by our President soon.
