AcAccording to reception schedule of central excutive power leaders for the citizens on August, 2014, citizens mostly appealed on the issues like recruitment of the teachers or displacement of work place to other one, also from one region to other one, transfer of the students of higher and secondary schools from one establishment to other one, study fee, study in abroad awarding of honor titles and other issues in the reception.

Appeals of 52 citizens were listened and most of problems were settled just on the spot. Relevant authorities of ministry have been tasked regarding with several appeals.

Personal appeals or the appeals of the citizens that are beyond of Ministry" power, were registered and controlled in order to deliver them in relevant authorities.
