

---

As indicated in "State Strategy on development of education in Azerbaijan Republic", goal of contest is on the following,

- development of human resources on the sphere of education;
- creation of "professional teacher" image;
- increase of reputation of teacher's occupation;
- formation of positive public opinion regarding with vocational action of young teachers functioning in rural village schools;
- spreading of positive experience of the teachers who newly started their vocational action;
- motivation of young teachers to function in village schools.

Video-plots that serve to increase of teacher's reputation, also reflected exemplary vocational action of young teachers functioning in rural village schools, should be presented to the contest. List of the teachers who obtained higher points and newly started their action in rural village schools, have been added in contest's announcement. Heroes of the plots, should be the teachers indicated in the list.

Time keeping of the plots presented to the contest, should be lasted at least 2 minutes. Plots, should be demonstrated in television channels broadcasted within territory of Republic from october 1 to october 20. Author should transfer demonstrated version of broadcast materials in DVD and presented to The Ministry of Education.

For any questions derived from contest, don't hesitate to send your inquiry to e-mail [tvmusabiqe@edu.gov.az](mailto:tvmusabiqe@edu.gov.az) or call to phone number 4969490.

Contest's results will be announced on october 24- the day when "State Strategy on development of education in Azerbaijan Republic" was approved and winners will be awarded to valuable prizes.
