

---

Twin brother the Ismayilovs, worked as teacher of physical culture in different secondary schools of Jalilabad region, but they worked in Ojagli village secondary school for last 10 years.

Ismayilov brothers who were finalist of former USSR championship on running to medium distance (1000 meter), obtained higher successes in the contests held in Azerbaijan. As a result of their endless love to sport, there are several learners who are engaged in sport.

Generally, Habil and Shamil Ismayilovs are not only prominent teacher who have engaged in nearly 50 years pedagogical action, at the same time they are exemplary family leaders. It's important that, their children and grandchilds are interested in sport and prefer strong life style.

The Ministry of Education congratulates all awarded education employees also Habil and Shamil Ismayilovs, wish them long life, strong healthcare and new-new successes!
