

---

Before the debate lessons, the guests saw the exhibition organized in the foyer of the educational institution and watched the scenes prepared on the basis of the literary works read by the pupils.

Also, lyceum students took an active part in competition for "I am the best reader" and "Young writers" nominations. According to the results of the competition, Nijat Ismayilov, student of 10a<sup>1</sup> took the first place in "I am the best reader" nomination and Orkhan Ahmedov, student of 10a<sup>1</sup> and Ayshen Aliyeva, student of 9r<sup>1</sup> took first places in "Young writers" nomination.

Also, lyceum students succeed to continue "I do not just read, but I draw to reading" project. Thus, the students go to the children homes and try to increase the interest of the pupils to reading and expand the readership of the pupils.

Note that, in accordance with the decree of Mikayil Jabbarov, the Minister of Education on "Measures on improvement of reading skills and development of reading culture", the series of events prepared on the topic of "the role of the reading in personality education, human perfection, shaping outlook" in the lyceum continue.
