33rd and 4th grade students of the school-lyceum number 6 named after Tofig Ismailov and 7th and 8th grade students of Classic Gymnasium number 160, school principals, teachers and students of higher education institutions attended the event.

The event, organized at the initiative of the Republican Ecological Training and Experience Center of the Ministry of Education and in cooperation with "National Geographic Azerbaijan" magazine, was conducted within the framework of the environmental-geographical awareness program for students.

Firuz Sultanzade, director of Ecological Training and Experience Center, informed about the environmental education programs.

Konul Nasibova, editor of "National Geographic Kids" magazine, delivered a presentation in the event.

The ecological awareness competitions and quizzes related to the environment caused a great interest of students.

The students of the school-lyceum number 6 presented their pictures about "Where I would like to travel with "National Geographic Kids" magazine". Then, the animated cartoons of "Animal Planet" were shown for students.

At the end of the event, the coupon for a free one-year subscription to "National Geographic Azerbaijan" magazine was presented to 8 winners of the ecological competitions.

"National Geographic Kids" magazine was presented to all students who took part in the event.
