

---

Firstly, the delegation visited the secondary school with an ethno-cultural Azerbaijani educational component No. 157 named after K.Karimov.

Providing information about the history and current activities of the educational institution, E.Ismayilova, the *school* principal, noted that the pupils, studying at the school, represent nearly 30 ethnic groups.

Then the delegation got acquainted with the museum and library of the school, visited several classrooms during the lessons and met with students and teachers.

Students read poems and sang songs in Azerbaijani language and performed traditional dances.

J. Bayramov expressed his gratitude to the school principal, teachers and students. He also highly appreciated the activities and achievements of the educational institution in the field of teaching of Russian and Azerbaijani languages and in the field of preservation of Azerbaijani culture. The memorial gifts were presented to the school on behalf of the Azerbaijani delegation.

On the same day, the delegation held a working meeting at Russia's Federal Education and Science Supervision Agency.

During the meeting, the reforms, carried out in the field of the standards of educational institutions in both countries, and a number of other issues of mutual interest were discussed. The sides emphasized the importance of continuing cooperation at the working level.

On April 17, the delegation held a joint meeting with V.Kaganov, Deputy Minister of Education and Science of the Russian Federation, and L.Efremova, Deputy Director of the Federal Agency for the Commonwealth of Independent States, Compatriots Living Abroad and International Humanitarian Cooperation.

The sides expressed satisfaction with the current level of cooperation and discussed the directions for the development of mutual relations in student exchange, teacher training and other fields.

Then, Adalat Muradov, rector of Azerbaijan State Economic University, and Y.Kuzminov, rector of the National Research University - Higher School of Economics, signed an Agreement on Cooperation in the Fields of Culture, Education and Science between the two universities.

This document provides long-term cooperation in the realization of student exchange program with the Higher School of Economics - one of the prestigious universities of Russia, in the development of dual diploma programs, in the implementation of joint research projects and internship programs for teachers and students, and in other fields.
