In the event, our country was represented by Bela Nuriyeva, primary school teacher of secondary school No. 23 named after T. Hasanov of Baku.

Products and new technologies related to education were introduced by 206 companies from 28 countries in the exhibition, organized by the Ministry of Education and Science of Kazakhstan.

Bela Nuriyeva, the winner of the contest "Best teacher", demonstrated "Open lesson" (master-class) in the exhibition.
