

---

So, Haji Aliyev, a graduate of Absheron region Children's and Youth Sports School, overcame Valodia Frangulyan, the Armenian wrestler, in the first meeting by a score of 7:0 and won the right to continue his participation.

Haji Aliyev also won the next meeting. Our athlete, competing in 61 kg weight class, gained a victory over Mikola Balotnyuk, the Slovakian athlete, with a high score of 11:0 and reached the semi-final.

It should be noted that Haji Aliyev, fighting for the first place, has been the winner of the World and European championships so far.
