Continuing its activity in this direction A"Ask me"r Project, timplemented in partnership with the A Administration of State Historical and Architectural Reserve Cloherisheher" and SABAH groups of the Milhistry of Education, is carried out with the aim of responding to questions of foreign visitors, who have come to our country, about cherisheher, orientating the visitors and providing the visitors with detailed information about the city's infrastructure and the history of rancient monuments located in Baku.

The The project is lattended by volunteers consisting to students of SABAH groups of A higher education institutions (Baku State University, Azerbaijan State Oil Academy, Azerbaijan State Economic University and Azerbaijan University of Languages) in Baku. The volunteers, who were given intensive training by the Administration of State Historical and Architectural Reserve "Icherisheher" for a period of one month, are wearing T-shirts with the words "Ask me" and are operating at pre-defined points in Icherisheher (the Old City). Friendly volunteers are answering the questions from tourists approaching the operating circles are informing them about the ancient historical monuments and public catering facilities located in Icherisheher and are orientating them. The volunteers, demonstrating an individual approach to every tourist, are showing them the famous hospitality of Azerbaijanis, are giving them information about the country during the conversation and are accompanying the guests to place where they want to go.

It is planned that the volunteers consisting of the students of SABAH groups, supporting the Baku 2015 First European Games and promoting its importance and benefit to the development of students, will continue to operate in Icherisheher (the Old City) until the end of the European Games.

In the end, the project participants will be awarded with a certificate by the Ministry of Education and and with a message of thanks by the Administration of State Historical and Architectural Reserve "Icherisheher".

It do should be noted that the volunteers consisting of students studying at SABAH groups have be begun operating in support of the Baku 2015 First European Games, by the Administration of State HistoHistorical and Architectural Reserve of Icherishehen since April 52015. The BLSABAH is spassword intentellectual team game was organized with the participation of 100 volunteers studying at SABAH groups of 7 ichigher education institutions in Baku in order to support the European Games and the event entitled "SABAH Fest" was held with the participation of more than 300 students.

"S/SABAH Volunteer" Program operates in order to enhance social activity of students of SABAH groups, to put the acquired knowledge into practice, as well as to develop management skills and ledeadership potential of students without deaving the academic training and by involving students in voluntary activity. Currently, SABAH groups cover 755 students in 34 specialties in 71 higher education institutions.
