

---

During the meeting, the funds, obtained from the exhibition and sale of handicrafts made by students of boarding school, were presented to the staff of the care home.

The event was attended by officials of the Ministry of Education and the mass media representatives.

The participants of the meeting were informed that the "Our large family" charitable-sales exhibition of the integration trained boarding school No.11 was held at "Jumeirah Bilgah Beach" hotel in May. In the charitable-sales exhibition, attended by government officials, members of the Milli Mejlis, entrepreneurs and education experts, a total of 5000 manat was received from the sale of handicrafts made by students of boarding school.

After the speeches, the funds, obtained from the charitable-sales exhibition, were presented to the leadership of the care home for disabled war and labor veterans. These funds will be spent in organizing a summer rest for elderly people, who are residents of a care home for disabled war and labor veterans.

The event was continued around the tea table with the participation of residents of a care home for disabled war and labor veterans, children with limited health conditions of boarding school and the mass media representatives.
