The volunteers, consisting of students studying at SABAH groups of the Ministry of Education within the framework of "SABAH Volunteer" Program, continue their activities with the aim of supporting the European Games. During the Games, the volunteers operate at the Russian and Azerbaijan Fan House, greet and inform guests visiting this place.

The interactive exhibits of the Russian and Azerbaijan Fan House, started operating on the eve of the Games, enable to become closely acquainted with the legendary athletes and the sports games of national teams of the CIS countries along with Azerbaijan and Russia. More than 1,500 volunteers from Russia and Azerbaijan operate in the museum.

The participants of "SABAH Volunteer" Program inform the fans, who have come from different countries during the Baku 2015 First European Games and have visited the Russian and Azerbaijan Fan House, about the legendary athletes and their sports equipment demonstrated here. Friendly volunteers arrange a meeting with athletes, participating in the European Games, for sports fans and answer the questions of guests about athletes and exhibits. The guests get a chance to communicate directly with professional athletes and to participate in the ceremonies held in honor of medals earned by athletes.

The volunteers, who will operate until the end of the European Games, will be awarded with a letter of thanks for their activities at the Russian and Azerbaijan Fan House.

It should be noted that "SABAH Volunteer" Program operates in order to enhance social activity of students, to put the acquired knowledge into practice, as well as to develop management skills and leadership potential of students without leaving the academic training and by involving students in voluntary activity.
