

---

At the ceremony, Mikayil Jabbarov, the Minister of Education, spoke about the contributions of Lydia Granovskaya, Professor of Baku Slavic University, to the fields of the training of highly skilled scientific-pedagogical staff and the research of Russian language in Azerbaijan, and wished her all success in her activity.

Lydia Granovskaya expressed her gratitude to the head of state for the appreciation given for her pedagogical and research activities.

In the end, the Minister presented the "Honored Scientist" Medal and Certificate to Lydia Granovskaya.
