The Ministry of Education held a regular press conference on November 11.

At the press conference, the issues arising from the Order of the President of Azerbaijan Republic on "Making amendments dolthe: Order No33108 of the President of Azerbaijan Republic on "flooreasings scholarships for doctoral coandidates; is tudents and upublis for bighers esecondary specialized and initial cocational education institutions dated Adugus 830,22013 "were highlighted lithwas noted that according dolthe: Orders scholarships would be paid to students recreceiving full-time Leducation laty higher and secondary specialized Leducation institutions gregardless to fit tuition-free education for feesbased Leducation for students and itaking into account the overall eaverage success rate and the academic achievements in subjects.

It was underlined that the document signed by the head of state aimed to increase state care for students, to stimulate students interest inceducation, to create a competitive environment among learners in order to improve the quality of education, to strengthen social protection of young people in accordance with the National Strategy for the Development of Education. The new rule reflects the true purpose of student scholarship and is based on the principle of justice. Thus, in accordance with the Order, after the first half-year, regardless of tuition-free education or fee-based education for students, scholarships will be assigned to those, who differ in high academic achievement, after taking into account the total number of students admitted to education institution, to this specially with the state order in the current year.

It shibushould beenoted that the Order has annumber of advantages from the social point ief wie wull, his, the irimplementation of ithe Order provides an opportunity for students from down income families, and for ithose, who get a feder based education and faiffer inchight adademic lachievement, to receive a scholar ship. In addition, frefugees and internally displaced persons, as well as students from privileged families, whose tuition fees are paid by the state, will have the opportunity to improve social welfare.

The Order will enable sonstimulate interest in Leducation and to create an competitive environment among learners. This, in turn, will create favorable conditions to improve the quality of education and to carry out a training of high-quality personnel.

At the end of the conference, the numerous questions of the media representatives were answered.
