

---

On December 5, the 2nd SABAH Forum, held with the organizational support of the Ministry of Education, completed its work.

The Forum was attended by students studying at SABAH groups of higher education institutions. On the second day of the forum, "Master classes" were organized under the themes "Career Development", "You are the owner of your time", "Information technology in daily life" and "You are a brand". During the Master classes, an interactive dialogue related to career development, information technology and time management was created among students.

Then, the panel discussions were held. The discussions were attended by Mikayil Jabbarov, Minister of Education, Shahmar Movsumov, Executive Director of the State Oil Fund, Fuad Muradov, MP, Chairman of Youth and Sports Committee of Milli Majlis, Inam Karimov, Chairman of the State Agency for Public Services and Social Innovations under the President of Azerbaijan Republic, Anar Aligulov, Business Development Director, Co-Chairman of the Supervisory Board at R.I.S.K. Scientific Production Company. During panel discussions held under the theme of education and career development at modern labor market conditions, they exchanged views on building a successful career and shaping students, studying at SABAH groups, as personnel having competitive capacity and meeting modern challenges. They created an environment necessary for active dialogue with students and answered their questions.

Then, the forum was continued with intellectual games.

At the closing ceremony of the forum, the certificates were presented to students who have distinguished themselves in various categories, as well as video footage related to the two-day forum was shown.

It should be noted that SABAH groups are operating in 45 specialties in 11 higher education institutions which have scientific-pedagogical potential, learning laboratory and material and technical base. 1629 students are studying in these groups and are being taught by about 500 teachers. In SABAH groups, the teaching process is held on the basis of distinctive program, special scholarships are given to students, at the same time, the students from low-income families are provided with a hostel.
