## **Second education block of Lankaran State University inaugurated**

Lankaran State University's (LSU) second education block opened after renovation on September 15.

Opening the ceremony, acting rector of LSU Natiq Ibrahimov congratulated students on the start of the new academic year and wished them success.

Deputy Minister of Education Jeyhun Bayramov highlighted successful execution of the education strategy in Azerbaijan. He said attention to science and education considerably increased in the country under President Ilham Aliyev.

Head of Lankaran City Executive Authority Taleh Qarashov said all accomplishments of Azerbaijan were associated with national leader Heydar Aliyev. "This policy is successfully continued by President Ilham Aliyev," he added.

Participants of the ceremony viewed fully equipped departments and laboratories of the new education block of the university.

The ceremony also featured a concert.

## **Event held in Ismayilli to mark Knowledge Day**

An event has been held at Ivanovka village secondary school named after Heydar Aliyev in Ismayilli district on the occasion of Knowledge Day.

Participants in the event included Deputy Minister of Education Firudin Qurbanov, deputy head of Ismayilli District Executive Authority Mahmud Suleymanov, adviser at Baku International Multiculturalism Center Valentin Kulik, teachers and pupils.

Prior to the event participants laid a wreath and flowers at a statue of national leader Heydar Aliyev.

Deputy Minister of Education Firudin Qurbanov congratulated teachers and pupils, and provided an insight into educational reforms.

The event also featured performance by first and eleventh grade pupils.

Participants of the event then viewed the school, and met with pupils and teachers.

## **Newly renovated integrated boarding school and gymnasium opens in Balakan**

---

A newly renovated integrated boarding school and gymnasium of the Ministry of Education has opened in Balakan district.

Participants in the opening ceremony included deputy head of the Administration of the Ministry of Education Farzali Qadirov, head of Balakan District Executive Authority Islam Rzayev, teachers, pupils and representatives of the local public.

Speakers at the event congratulated teachers and pupils on the start of the new academic year and Knowledge Day. They also highlighted the country's accomplishments in the field of education, and emphasized what must be done to improve the quality of education.

Participants of the ceremony viewed the school, which was supplied with modern equipment by the Ministry of Education. The school's education block and dormitory, canteen and additional buildings were renovated.

There are departments of chemistry, biology, physics and informatics, and a state-of-the-art laboratory in the school, which is supplied with modern ICT equipment.

The school provides accommodation for sixteen young teachers.
