
The head of state cut the ribbon symbolizing the opening of Zugulba training and sports base.

Minister of Education Mikayil Jabbarov informed President Ilham Aliyev of the base.

The construction work here started in 2015.

The sports base occupies an area of nearly one hectare. The training and sports base features a hostel, sports and healthcare blocks, amphitheater, and mini football and basketball pitches.

The head of state viewed the conditions created in the sports and healthcare blocks.

President Ilham Aliyev then familiarized himself with the conditions created at Zugulba training and sports base, and wished its staff success.
