Azerbaijani President Ilham Aliyev has signed an Order regarding measures to improve education infrastructure in Aghdash and Barda regions.

Under the presidential Order, the Ministry of Education is allocated 2,595,000 manats for the construction of 9 modular schools for a total of 412 pupils in two regions.

The schools will be built in Khinakhli, Malay, Amirmahmud, Binalar and Bulagotaghi villages in Aghdash, and Imamgulubeyli, Boyuk Gajar, Najafgulubeyli and Tahla villages in Barda.

The advantages of modular schools include low-cost building work, quick construction and portability of module sections, and the opportunity to adjust the number of classrooms to the number of pupils.
